Introducing

Objectives

At the end of this module, the student will have understood and be able to explain (main concepts):

- An overall view of financial documents used by the company. Introduction to the calculation of costs in the industrial firm
- the interdependence of the functions of the company through decision making and results analysis
- Students will also be prepared for their careers by reviewing and further developing both oral and written transversal communication skills.

The student will be able to:

- understand companies, their structure and their environment
- use newly-acquired Business English vocabulary
- develop financial statements used and calculate business costs for a company
- organise a group project : create their own company, hold meetings
- give an oral presentation of a documentary synthesis and a business report (in English), using presentation skills
- create basic management tools
- optimise resources to make the company profitable
- take ethical concerns into account
- take into account cultural differences in business
- appreciate the impact of the major parameters of the socio-economic and financial environment on a

company

- write professional letters and emails

Second language course (optional & commitment for years 3 and 4)

The objectives are defined according to European specifications for the five language skills and specific to the various languages proposed - German, Spanish, and Chinese, Italian or Sign language & and to students' levels.

Whenever his/her level is sufficient, the student will be able to:

- & synthesise and present professional documents
- & give an oral presentation in front of a group
- & take into account the various dimensions of interculturality
- & analyse a job ad
- & simulate a job interview
- & write a CV and a cover letter

Remedial English (upon teachers' decision)

In some specific cases, a remedial English course is offered in replacement of the second language course with the objective of reinforcing the language skills useful for the TOEIC, i.e reading, listening, grammar and vocabulary
