

Careers in Chemical Engineering (1)

Introducing

Description

presentation of various possible careers in process engineering: design office engineer (preparing calls for tender, responding to calls for tender, business management, contracts and public finance, etc.), project manager, R&D engineer, teacher-researcher, consulting and environmental management engineer, regional engineer.... . The tools specific to these professions (which form part of their knowledge and skills), the ways of accessing them and career paths are discussed.

Objectives

At the end of this CE, students will be able to:

- Identify the sectors of activity of GP3E engineers; the different possible professions (design office, territorial engineer, environmental management, research and development, production, consulting, business engineer, etc.), their specific features and the conditions for accessing them.
- build a professional network based on meetings and information provided by speakers

Évaluation

L'évaluation des acquis d'apprentissage est réalisée en continu tout le long du semestre. En fonction des

enseignements, elle peut prendre différentes formes : examen écrit, oral, compte-rendu, rapport écrit, évaluation par les pairs...
